About the Institution

Boston City Campus & Business College (Pty) Ltd (Boston) is accredited for the occupational qualification Higher Certificate in Commerce in General Management by the South African Board of People Practices (SABPP), which is a Quality Assurance Partner (QAP) of the Quality Council for Trades and Occupations (QCTO) and is registered as a Professional Body by the South African Qualifications Authority (SAQA). Boston applied for registration with the Department of Higher Education and Training (DHET) as a private college in terms of the Continuing Education and Training Colleges Act, 2006 (Act No 16 of 20016) as amended, and is awaiting the outcome hereof. *“In the meantime applicants must continue to operate offering qualifications and part-qualifications for which they have valid accreditation from the Quality Council for Trades and Occupations (QCTO) or any delegated relevant quality assurance body until such that determination on their applications for registration as private colleges is made and the outcome thereon is communicated to them” (Mr FY Patel Registrar: Private Colleges, 23 October 2017).*

International Recognition

Boston is accredited as an independent higher education institution with the British Accreditation Council (BAC). This occupational qualification is accredited by the Quality Council for Trades and Occupations (QCTO) (*through the delegated arrangement with their appointed QAP/LQA, the SABPP*), is registered on the NQF (OQSF) by the South African Qualifications Authority (SAQA). Separately, Boston is registered by the Department of Higher Education and Training (DHET) as a Private Higher Education Institution (PHEI) for a variety of higher education qualifications.

The DHET is a department of National Government, whereas the CHE, QCTO, UMALUSI and SAQA are statutory bodies, as such these entities are recognised globally. Therefore the qualifications/institutions that are accredited/licensed by them are accepted/recognised throughout the world by other government departments and by their respective agencies such as World Educational Services (WES) and other prominent authorities for purposes of equivalence/articulation i.e. employment/labour certification or further studies. This is a *quid pro quo* arrangement amongst United Nations Member States; as the DHET, CHE, QCTO, UMALUSI and SAQA similarly recognises other nation/states' qualifications/institutions for equivalence/transferring to South Africa i.e. a United Kingdom or Zambian Bachelor of Arts awarded by a public university or private college or private degree granting institution which is accredited/licensed in accordance with the United Kingdom or Zambian legislative and statutory requirements, will be equivalated/recognised as such in South Africa.

Similarly the *SADC Protocol on Education and Training*, which is a legal framework for regional cooperation, provides for the recognition of the equality of all Member States. It must be noted that qualifications will be recognised and that curricula specific evaluations may lead to additional requirements for students to meet in order to gain entry into foreign programmes or professions, which is the prerogative of the receiving institution/body. For more information pertaining to direct international linkages/relationships visit the websites of the DHET, CHE, QCTO, UMALUSI, SAQA, CHEA and WES.
