About the Institution

The Boston City Campus & Business College (Pty) Ltd (Boston) Diploma in Financial Accounting is accredited by the Higher Education Quality Committee (HEQC) of the Council on Higher Education (CHE). Boston is registered with the Department of Higher Education and Training (DHET), as a private higher education institution, No. 2003/HE07/002, in terms of Section 54(1)(c) of the Higher Education Act, 1997 (Act No 101 of 1997), and Regulation 14(4)(a) of the Regulations for the Registration of Private Higher Education Institutions, 2016.

International Recognition

This qualification is a Candidate for Accreditation with the Accreditation Council for Business Schools and Programs (ACBSP), United States of America. Boston is accredited as an independent higher education institution with the British Accreditation Council (BAC). This qualification is accredited by the Council on Higher Education (CHE), is registered on the NQF (HEQSF) by the South African Qualifications Authority (SAQA) and the institution is registered by the Department of Higher Education and Training (DHET) as a Private Higher Education Institution (PHEI) to offer the qualification.

The DHET is a department of National Government, and both the CHE and SAQA are statutory bodies and as such, these entities are recognised globally. Therefore the qualifications/institutions that are accredited/licensed by them are accepted/recognised throughout the world by other government departments and by their respective agencies such as World Educational Services (WES) and other prominent authorities for purposes of equivalence/articulation i.e. employment/labour certification or further studies. This is a *quid pro quo* arrangement amongst United Nations Member States; as the DHET, CHE and SAQA similarly recognise other nation/states' qualifications/institutions for equivalence/transferring into South Africa i.e. a United Kingdom or Zambian Bachelor of Arts awarded by a public university or private degree granting college which is accredited/licensed in accordance with the United Kingdom or Zambian legislative and statutory requirements, will be equivalated/recognised as such in South Africa.

Similarly the *SADC Protocol on Education and Training*, which is a legal framework for regional cooperation, provides for the recognition of the equality of all Member States. It must be noted that qualifications will be recognised and that curricula specific evaluations may lead to additional requirements for students to meet in order to gain entry into foreign programmes or professions, which is the prerogative of the receiving institution/body. For more information pertaining to direct international linkages/relationships visit the websites of the DHET, CHE, SAQA, CHEA and WES.

Disaster Management Act and Academic Services

Boston recognises the need to deploy whatever reasonable measures necessary to obviate any negative impact on academic provisioning that might attend the invocation of the Disaster Management Act (Act No. 57, 2002) and the consequent gazetting of regulations. While Boston will attempt to minimise disruption to academic services, this could result in changes to academic calendars, procedures, processes, services, etc., all of which will be communicated to students and relevant stakeholders.
